Statuses and activity categories

Status

The heading color shows the state of work when an update was recorded.

Completed

Teal. Work finished at the recorded date.

In progress

Blue. Work underway at the recorded date.

Upcoming

Amber. Work expected at the recorded date.

Activity categories

Category icons use the text color of their status heading; general updates use blue.

Administration
Project governance, coordination, and records.

Collaboration
Partnerships and joint working groups.

Data
Data collection, curation, release, and stewardship.

Engagement
Communication with audiences, sponsors, or stakeholders.

Funding
Proposals, awards, and funding management.

Infrastructure
Facilities, equipment, and technical platforms.

Method
Methods, protocols, and research workflows.

Other
Activity outside the listed categories.

Personnel
Team membership, staffing, and training.

Publication
Papers, reports, and other published outputs.

Research
Experiments, analysis, and findings.

Software
Code, repositories, tools, and releases.

Status describes progress; category describes the kind of activity. Labels accompany every color and icon.
